

## FPF Disposition Scoring System

- 1** – These bulls are extremely quiet & will take a lot of pressure
- 1.5** – Very quiet bulls
- 1.8** – Quiet bulls
- 2** – Most of the bulls fit into this score. 2s are very easy to handle but will move off pressure with ease
- 2.2** - Tend to move quicker than a typical 2
- 2.5** – Move quick with little pressure & can get worked up
- 2.8** – These bulls take little pressure to move & need space when alone
- 3** - Harder to hand with a wide flight zone. These bulls will get worked up very easily when alone or under pressure
- 4** – These bulls have been eliminated from the program. They are not easily handled
